## You Belong

*Storytime for Children and Their Adults*

### SATURDAY, DECEMBER 20TH @ 11AM-12PM

Children and their adults are invited enjoy a variety of books and songs that embrace uniqueness, community, and belonging. We will explore big ideas like kindness, identity, and inclusion. Interactive questions and open-ended conversations are welcome. We want to celebrate what makes us unique and what connects us as a community.

We invite everyone to stay afterwards to play and chat with us about the stories and how they relate to our families and community. Children's literature is a wonderful tool to support conversations with our kids, reflect on our own experiences and attitudes around difference, and learn some tips to help young children positively interact with our diverse community.

## November in Review

### FRN was at Endless Records for November's First Friday!

After setting up our table with a beading activity and our array of literature, we enjoyed conversations with townspeople young and old who shared their stories about experiencing bullying or addressing it in their classrooms. Thank you, Endless Records, for sharing your space with us!

### FRN at Memorial School and Bloomsburg Middle School

FRN enjoyed participating in Memorial Elementary School's Literacy and Wellness Fair. We brought our signature beading and anti-bullying pledge banner activities. And of course, our beloved Axolotl came along to greet the students.

A week later, we participated in the Bloomsburg Middle School's Family Night with the same activities. We were honored to be the "anti-bullying activity" on the evening's scavenger hunt.

Both of these events resulted in great conversations about our combined efforts to address bullying and provide the best support for healthy school communities. The completed anti-bullying banners will soon be gifted to the respective schools. Students, administrators and teachers will be able to see their colorful pledges to keep our schools safe and inclusive.

### Diversity Conference at Commonwealth University

Some of our members were able to attend the resource fair portion of the annual Diversity Conference for local high schools. We interacted with students who enjoyed our new "You Belong" stickers. We particularly enjoyed connecting with teachers who advise students in their efforts to create inclusive environments in their schools. Thanks to the organizers for inviting us. We'd love to attend again next year!
